

a vessel requiring a larger size endorsement, the new permit will be endorsed for the size of the larger vessel.

(2) *Limitations of size endorsements*—(i) A limited entry permit endorsed only for gear other than trawl gear may be registered for use with a vessel up to 5 ft (1.52 m) longer than, the same length as, or any length shorter than, the size endorsed on the existing permit without requiring a combination of permits under paragraph (i) of this section or a change in the size endorsement.

(ii) A limited entry permit endorsed for trawl gear may be registered for use with a vessel between 5 ft (1.52 m) shorter and 5 ft (1.52 m) longer than the size endorsed on the existing permit without requiring a combination of permits under paragraph (i) of this section or a change in the size endorsement under paragraph (h)(1)(iii) of this section.

(iii) *Combining limited entry permits.* Two or more limited entry permits with “A” gear endorsements for the same type of limited entry gear may be combined and reissued as a single permit with a larger size endorsement. The vessel harvest capacity rating for each of the permits being combined is that indicated in Table 2 of this part for the LOA (in feet) endorsed on the respective limited entry permit. Harvest capacity ratings for fractions of a foot in vessel length will be determined by multiplying the fraction of a foot in vessel length by the difference in the two ratings assigned to the nearest integers of vessel length. The length rating for the combined permit is that indicated for the sum of the vessel harvest capacity ratings for each permit being combined. If that sum falls between the sums for two adjacent lengths on Table 2 of this part, the length rating shall be the higher length.

(i) *Limited entry permits indivisible.* Limited entry permits may not be divided for use by more than one vessel.

§ 660.334 Limited entry permits—“A” endorsement.

(a) A limited entry permit with an “A” endorsement entitles the holder to participate in the limited entry fishery for all groundfish species with the

type(s) of limited entry gear specified in the endorsement.

(b) An “A” endorsement is transferable with the limited entry permit to another person, or a different vessel under the same ownership under § 660.333.

(c) An “A” endorsement expires on failure to renew the limited entry permit to which it is affixed (see § 660.333).

§ 660.335 Limited entry permits—“Provisional A” endorsement.

(a) A “provisional A” endorsement entitles the permit owner to fish for all groundfish species with the types of limited entry gear specified in the endorsement.

(b) A “provisional A” endorsement is not transferrable except as specified in the PCGFMP.

(c) The holder of a “provisional A” endorsement must comply with the requirements set out in the PCGFMP at 14.3.2.4 in order for the permit to be upgraded to an “A” permit.

(d) A “provisional A” endorsement expires at the end of any of the three consecutive 365-day periods (during the 3-year qualifying period) in which a vessel’s landings do not meet the applicable landing requirement or upon failure to renew the limited entry permit. A “provisional A” endorsement that expires will not be reissued.

§ 660.336 Limited entry permits—“B” endorsement.

(a) A limited entry permit with a “B” endorsement entitles the permit owner to fish for all groundfish species with the type(s) of limited entry gear specified in the endorsement.

(b) A “B” endorsement is not transferable to another person, and may not be used with another vessel under the same ownership, unless the vessel for which the endorsement was issued is totally lost, and the permit is transferred to a replacement vessel owned by the same owner.

(c) All “B” endorsements expire on December 31, 1996.

(d) A “B” endorsement expires on failure to renew the limited entry permit.
